Dear national board of the Association Professeurs Histoire et Géographie,

We are pleased to officially confirm that EUROCLIO has selected the bid of the Association Professeurs Histoire et Géographie to host the EUROCLIO Annual Conference in 2018 and we look forward to this new partnership with one of our founding members.

The most important steps have already been taken with APHG Marseille and we will keep you updated about the next steps.

Yours sincerely,

Jonathan Even-Zohar
EUROCLIO Director
